

# Route of the Museums

📍 Museum of Farming of Yesteryear in Villalón de Campos

📍 Calzado Vibot shoe museum in Villalón de Campos

This route includes the most attractive museums and interpretation centres in the district. The Bread Museum in Mayorga de Campos is the first of its kind in Spain. It is housed in the church of San Juan de Mayorga de Campos, which has been specifically rehabilitated to do this.

The Cheese Making Museum in Villalón de Campos is housed in the buildings of the old schools in avenida del Parque.

Additionally you can visit the Interpretation Centre of Pork Products in Palazuelo

de Vedija, the Endemic Birdlife Interpretation Centre in Monasterio de Vega, the Hunting Interpretation Centre in Saelices de Mayorga; as well as the Calzado Vibot shoe museum, "El Palomar del Abuelo" is the Interpretation Centre of the pigeon-houses and the Farming of Yesteryear Exhibition in Villalón de Campos not forgetting the Museum of Religious Art in Cuenca de Campos.
